

Regulations Of The Rhythm Teams

National Dance Competition

2023

Our Competition System:

Our Competition is an amateur-level tournament!

We would like to introduce the dance as a sport, creating mass bases, and upbringing second lines.

It's an independent competition, anybody can participate!

We use points system, so you can collect points in every competition!

We organize a National Championship in every year, which has double points value, and at autumn, we will organize an Autumn-Cup, where we will announce the contestants, whose receive highest points in this year!

International Dance Open Championship will organize a Europe Championship, and a World Championship all dance category, We qualify the teams and carry out the delagation to these competitions! We give informations about this continously!

There is no annual registration, and annual membership fees to our competitions!
